2012 Competition Facts*

Scheduled competitions: 39

Competing teams: 1,100

Competition judges: 4,000

Overall attendance: 30,000

*Competition statistics are estimates.

SIFE competitions are challenging, team-oriented events that create a sense of accountability and motivation for teams to continually improve the quality of their projects. Every country that operates a SIFE program is eligible to organize a national competition for the teams in their country. The National Champion team from each country is then invited to compete at the SIFE World Cup.
